Welcome Message

Dear Esteemed Colleagues,

Warm greetings from the organizing team of **PCSI 2025**, Mumbai!

It is with immense joy and excitement that we invite you to the **25th Annual National Conference of the Pediatric Cardiac Society of India (PCSI 2025)** — the premier gathering of Pediatric Cardiac Specialists in Asia! This landmark event will take place from **19th to 21st September 2025** at the luxurious **The Westin Powai Lake Hotel, Mumbai**.

As the largest network of pediatric cardiac specialists in Asia, with over **1500 members**, the **Pediatric Cardiac Society of India (PCSI)** has been at the forefront of shaping the future of pediatric cardiac care in India. Our dedicated network of pediatric cardiologists, cardiac surgeons, anesthetists, intensivists, and allied healthcare professionals continues to drive excellence in heart health for children across the nation. We are committed to research, advancing medical practices, and advocating for uniformity in pediatric cardiac care throughout the country.

PCSI 2025 marks a momentous milestone — the **Silver Jubilee** of our Annual National Conference. This year's conference will celebrate 25 years of groundbreaking work, innovation, and advancement in the field of Pediatric Cardiology. As we look back on our achievements, we also look forward to a future full of exciting developments and advancements in pediatric and fetal cardiac sciences, as well as grown-up congenital heart disease (GUCH).

This conference will offer **three days of academic excellence**, featuring engaging scientific sessions on the latest developments, cutting-edge techniques, and timely debates in pediatric cardiology. The sessions are designed for everyone — from delegates to postgraduate students to leading consultants. In addition to the enriching academic agenda, we have planned special events, recognitions, and social gatherings, ensuring a perfect balance of learning, networking, and camaraderie.

We cordially invite you to be a part of this **scientific feast** and make the most of the invaluable opportunity to connect with colleagues, exchange ideas, and gain insights from distinguished experts in the field. **Join us in shaping the future of pediatric cardiac care in India and beyond!** We look forward to welcoming you to Mumbai for **PCSI 2025** — a memorable experience of enlightenment, collaboration, and growth.

Best regards,

Organizing Committee, PCSI 2025
